Forecast for Thursday 13 May 2021

Weather: Clear and dry overnight and becoming chilly in the valleys. A sunny start to the day. Cloud tending to bubble up in the morning, with a few showers likely by the afternoon, the odd one becoming quite heavy, though still some dry weather around. The showers dying out in the evening with some late sunshine and clear periods after dark.

Chance of cloud free mountain/hill tops above 800m: More than 90% with the cloud that forms expected to be above the summits.

Visibility: Mostly very good but some deteriorations to moderate in heavier showers temporarily obscuring neighbouring ranges.
